15 OF JOINT CASE MANAGEMENT  
16 CONFERENCE STATEMENT**

17 On July 17, 2015, the Court lifted the stay in this action and, at the joint request of  
18 the parties, scheduled a telephonic case management conference (“CMC”) before Judge  
19 Skomal on **August 26, 2015 at 1:30 p.m.** [ECF No. 249.]

20 In preparation for the teleconference with Judge Skomal, counsel for the parties are  
21 ordered to meet and confer **no later than August 10, 2015**, regarding their positions on:  
22 (1) willingness to engage in further settlement discussions; (2) the results of the  
23 approximately 18 months of informal discovery that was conducted before the stay in the  
24 case was imposed; and (3) the need for discovery, if any, in cases that were unable to  
25 conduct discovery before case consolidation. If, after meeting and conferring, counsel  
26 would prefer to conduct the CMC in-person in Judge Skomal’s chambers, they are  
27 ordered to contact the Court on or before August 11, 2015 to jointly request that the CMC  
28 be held in person.

///

1       **IT IS FURTHER ORDERED** that **no later than August 17, 2015**, counsel for  
2 the parties shall file a JOINT case management conference statement that **specifically**  
3 **lists in detail:**

- 4       1. What discovery (either informal or formal) has been done by the
- 5 parties;
- 6       2. What facts/information/topic areas can be identified as completed in order to
- 7 avoid duplicative work; and
- 8       3. What discovery remains to be done.

9  
10 The joint CMC statement shall also propose a discovery/pre-trial schedule. In addition to  
11 filing the statement on the court's docket, a courtesy copy of the joint CMC statement  
12 shall lodged electronically with chambers at [efile\\_skomal@casd.uscourts.gov](mailto:efile_skomal@casd.uscourts.gov).
